## Christ Church Kids | 2025–2026 Calendar

**Christ Church Kids | Infants–Grade 5** Children are a vital part of the church today.

Every week during all our services our team of faith mentors teach the Bible and lead worship, spurring our children to love Jesus wholeheartedly and carry His light into their world. Christ Church Kids is a place where children receive tangible expressions of God's grace and truth through fun, age-appropriate activities.

**WHEN |** Sundays | During all services

### **Gather Sunday | Grades 1–5**

Elementary school age children experience being in community with one another once a month during the school year (except in February). Join us for games, activities, crafts, prizes, worship, a Bible lesson and a whole lot of fun. Signs will be posted on Gather Sundays to remind your children to go to Fellowship Hall. Please don't forget to check in at a kiosk. Invite a friend and bring your Bible. It is a Sunday you will not want to miss.

**WHEN |** Monthly | During Sunday services

### **Family Worship | Child Care Only**

There are several Sundays throughout the school year when we encourage families to worship together to give our volunteers a break from teaching. Child care may be available for children four years and younger. Family Worship is typically scheduled on holiday weekends. Visit [ChristChurch.us/children](http://ChristChurch.us/children) for dates and information.

**WHEN |** Select holiday weekends

**Bible Class & Celebration |** Our third grade kids are at an exciting stage of spiritual development as they begin to learn how to navigate the Bible and seek ways to express their own personal relationship with God. The Christ Church Kids team wants to partner with families to celebrate this important milestone. Bible Class is available every Sunday in February during services. Students will be given their own Bible which they will explore with their faith mentors, ask questions and dive into the living Word of God!

**WHEN |** Sundays in February

## CAMPS & VOLUNTEERS

**Preschool Soccer Camp |** If you have a child that has lots of energy and likes to kick the ball around, we would love to teach them some soccer skills while also introducing them to Bible stories.

**Rock 'N Canoe | Elementary Summer Camp |** This is a great chance for incoming fourth and fifth grade students to be away on their own, meet new friends, build stronger relationships and try new experiences such as rock climbing and canoeing. Campers will have the chance to develop the most life-impacting, valuable relationship of all—a friendship with Jesus! We take busses to and from church to Expeditions Unlimited in Baraboo, Wisconsin.

### **Kids Club | Midweek Program |**

Kids Club is hosted at both Butterfield and Oak Brooks campuses. Kids in grades 1–5 will have fun with their peers as they engage in faith building and fun, age-appropriate activities. Students will be introduced to small group ministry and sign up for electives like games, cooking and music!

**Volunteers |** Help create a space where kids feel welcomed, known and loved. Each week we bring our best to help kids worship and learn the Bible and how it applies to their lives. If you are interested in volunteering in our Sunday classrooms, midweek programs or summer camps, email us for more information.
