

# JOSHUA'S PERSPECTIVE

PASTOR PETE IN HIS PAJAMAS

**WELCOME:** Hey Families, today we are going to be chatting about looking into the clouds of life and recognizing Gods provision rather than our fear!

**1.) PRAY** – Start by praying together as a family. In your prayer, ask God to help you trust in His provision!

**2.) Watch** – Check out the video - <https://youtu.be/2MSVY4C0Q7s>

**3.) READ** – Open your Bibles and read Numbers 13:1-3 & 13:17-14:10

**4.) Discuss** – As a family talk through these questions!

- Think about our Story
  - Why did Moses send the twelve spies into the promised land?
  - What did all the spies find there?
  - What did the first 10 spies focus on?
  - What did Joshua and Caleb focus on?
- Talk about your own “Clouds”
  - In some ways, we are standing at the edge of a new “land” during our quarantine. What are some of the challenges of being stuck at home?
  - Do you see any hidden positives?
  - Do you tend to focus on the positives, or the negatives? How come?
  - What can you do to trust in God during this time?

## **5.) ACTIVITY TIME: CLOUD GAZING**

- 1.) Go lay out in the yard together and look up at the clouds.
- 2.) Take turns sharing what you see in the clouds
- 3.) Who can come up with the most creative “cloud pictures”
- 4.) Now, talk about the clouds in your life (challenges, fears, etc.)
- 5.) Work together to find creative positives in the midst of those clouds.
