

GRACE  GRAVITY

DECEMBER 17, 2023

## Exciting LIFT update!

Good news church family! We have recently completed Phase 1 of our Family Ministry LIFT construction project.

Sunday, December 17 new hallways were opened in our Christ Church Kids area. These hallways connect the Discovery Center to the early childhood classrooms, as well as improve security in these areas.

While we continue to improve security and how families navigate our Christ Church kids area, we'll be updating and remodeling classrooms for kids birth–Grade 3.

Together we are LIFTing kids and families as they build friendships and grow in their faith!
