CHRIST CHURCH

Reflect | Mark 7:24–30

1. Share or journal on one key item from today's message that really struck you. Why did that specific aspect of the message effect you the way it did?
2. How do you typically respond to interruptions, especially when you want to be alone?
3. When Matthew shares this story (15:21–28), we are told Jesus did not answer a word to the woman. Why do you think that was?
4. How hard would it be for you to see interruptions as opportunities for God to work through you or in you?
5. Have you ever been frustrated by God's seeming lack of response to your prayers? How have you handled that disappointment?
6. Why was Jesus impressed with the woman? What would Jesus say about your persistence with Him?
7. What of the woman's way of being can we apply to our own prayer practice?

Respond | This week, pray this breath prayer whenever you perceive you are being interrupted.
