CHRIST CHURCH

Reflect | Matthew 21:1–11; 27:19–23

1. What is one idea from the message that stood out to you?
2. What's the difference between being a fan versus a follower of Jesus?
3. How does fickleness create a messy relationship with Jesus or others?
4. In what ways do we simplistically “cheer” for Jesus? How do you know if that is happening in your own life?
5. As you compare and contrast the crowd's responses from the two passages, are there aspects of your life where you see the same happening?
6. Looking at Matthew 27:20, what do you think caused the religious leaders do what they did?
7. What has helped you stay focused on Jesus in the messiness of life, no matter how you feel, beyond negative thoughts or external circumstances?

Respond | Fight the fickleness by memorizing Hebrews 12:1–3 in your favorite version of the Scriptures. Write it out, post it, text it and place it where you will see it often.
