

Student Ministry Small Group In-Person Model

We are glad to be able to move back to an every-week in-person model of student ministry for both middle and high school small groups! Starting February 21, groups will gather in person every week at our Oak Brook Campus. If your student is not able to make in person gatherings at this point, please let us know so we can coordinate a zoom link for that group!

IN-PERSON DETAILS- Each week (weeks begin on Sundays), both middle and high school small groups will meet in-person at Christ Church on the evenings of Sunday, Monday, and Wednesday. We are excited to be able to offer safe environments for all of our students to be able to meet weekly in person to spend time with one another and have important faith conversations!

DIGITAL OFFERING - Every Wednesday at 7pm, there will be a student ministry-wide YouTube Premiere of our teaching video to provide a touchpoint and content for students who are less comfortable meeting in person. If your student would like to zoom into a small group, let us know, and we'll work to help coordinate that.

GATHER WORSHIP NIGHTS

We are also hopeful to be able to bring back large group "Gather" Worship nights starting in March. The dates of these events are marked on the attached calendar. We will send more information about these events as they get closer.

WE NEED YOUR HELP:

We need your help as we attempt to provide a safe environment for our students to gather.

1. **Each week**, parents/guardians of students attending small groups in person will need to complete our "Small Group Weekly Check In" registration in advance in order for students to check-in at the kiosks in their designated small group rooms. **Please do not wait until you have arrived at the building to complete this form as it will require an account login.**
2. Students must wear masks at all times and are not permitted to bring food or drink with them.
3. Please ask your child to abstain from congregating before and after the program as this increases the pool of affected individuals in the case of exposure
4. Please stay home if you have any concern that your child may have been exposed to COVID-19
